

Apostle Dr. Leah M. Vanterpool

M.Min., MAFM, Ph.D., D.D., D.Th.,

"Ministry that's Making a Quantum Impact for Generations to Come"

Her genesis began in the West Indies, as a native of the Dutch/French Island of St. Maarten, Netherland Antilles. After a few years her family relocated to St. Thomas, U. S. Virgin Islands where she was raised and calls home. Dr. Leah Vanterpool was born with a passion for establishing order, speaking truth and evoking change, a theme that permeates throughout her life and ministry. She is called as a revolutionary apostolic and prophetic voice that has been trailblazing past traditionalism, used to set Kingdom order and to ignite fire in spiritually dry places in the earth. Dr. Leah Vanterpool has served for the past twenty plus years as a multi-faceted ministry gift, a respected and consecrated prophet, apostle, catalyst, and ambassador. She is a conference speaker, mentor, seminarian, published author, and an entrepreneur. Armed with a strong prophetic mantle and apostolic authority, she travels globally declaring the Word of God and HIS will for his people, in order to catapult them into their divine destiny.

God has declared her as a plumb line to the Body of Christ, and as "Isaiah for this Time" to turn the hearts and the minds of the people back to the Face of God. Among her peers and those who have experienced her ministry, she is referred to as a General in the spirit, the "eagle-eye prophet" and one of God's best-kept secrets in the Kingdom. Dr. Leah Vanterpool is distinguished for both her prophetic accuracy and ministerial integrity. She is a remarkable visionary; establishing ministry globally that leaves an internal and eternal impression on all who hear her message. Her tenacity to see the establishment and fulfillment of God's Kingdom agenda fuels her passion to persist in her God-given assignment and aid other members of the five-fold ministry to do the same. After serving the Kingdom as God for thirteen years as a prophet, in June 2013 God publically declared her elevation to the grace gift of the apostle. On March 7, 2015 she was publically affirmed and seated as an apostle in the Lord's church. Apostle Dr. Vanterpool functions in various governing apostolic capacities. She is the founder and vice presiding prelate of the Signet International Alliance, the founder of the Kingdom Ambassadors Network, The Fivefold Leadership Institute, Deborah Women Network, and the Healing Our Land Association (H.O.L.A.), which is a humanitarian organization that participates in missions and other ministry outreach projects: with their most recent initiative being the establishment of APEX Educational Network in partnership with the United Nations Sustainable Goals and Initiatives.

This trailblazing catalyst travels annually on various mission ventures in several nations of Africa, the West Indies, Jamaica, and expanding territories teaching and proclaiming the Word of the Lord. In the city of Eldoret and several rural cities in Kenya, she has made history as the first female to minister to both men and women within a culture which prohibited women to do such. In December 2012, she was asked to prophetically speak to the nation of Nairobi and their pending elections. In 2013 upon her arrival back to the nation, she was met with gifts in response to the people's gratitude for the accuracy of the Word of God concerning the turn and change of their nation. Those momentous historic times have sparked a revolution in reforming tribal gender driven culture. As a result her ministry has partnered with the "Global Vision 2035" in the area of bridging the gap in gender equality and bringing awareness to human trafficking both here in the United States and abroad. These missions have been life changing for thousands not only spiritually, emotionally, physically, but economically. Her ministries empower and equip leaders to transform their communities.

In addition to her many accomplishments in the corporate arena and ministry, she has made significant strides through educational matriculation. In 2013 Apostle Vanterpool received the following a Masters in Ministry, Doctorate in Theology, and Doctorate in Divinity. In addition, for the past two decades she also has held a Bachelor of Science, Masters, and Doctorate Degree in Accounting and a Certificate of Public Accountancy (CPA). She is an astute entrepreneur. God continues to bless the ministry of Dr. Vanterpool through international media streams, as a featured guest on shows like: Rejoicing in the Word with Bishop George Bloomer on The WORD Network, Preach the Word Network, The IMPACT Network, Atlanta Alive (ATL57), the Comcast syndicated talk show, the P.E.W. and most recently she was featured on the Majesty Magazine. Dr. Leah Vanterpool continues to operate in her apostolic and prophetic mantle as a Kingdom heavyweight and a voice in the earth for the sole purpose of the glory of God being manifested in the earth, through His Word, miracles, signs and wonders. Her works speaks of the Oil that is on her life and testifies that she has been anointed to BUILD. To follow her ministry you may do so on FaceBook, Twitter, Instagram, Periscope, and her ministry website at www.leahvanterpool.com.
