

INFORMATION ON BECOMING AN ASSOCIATE MEMBER OF GLOBAL LIFE CHURCH

Members in good standing leaving the local area permanently, or for at least two years, may request **associate membership** by making application to the Advisory Board.

1. This associate membership is **solely a means of maintaining the fellowship bond** between **Global Life Church family** and the believer. Upon return to the local area and application in writing to the Advisory Board, full membership may be restored.

2. There are, on occasion, persons desiring **associate membership** who have never been members of Global Life Church. Examples of such are a **student , serviceman or persons living** in areas where there is not a Bible Believing Church in that location and whose permanent residence is out of St. Thomas or the spouse of a Global Life Church missionary whose membership is with his/her home church. Provision is hereby made that, with the approval of the Advisory Board, such persons as indicated in the above examples or in similar circumstances, may become associate members on the following terms:

- a. Each applicant should give evidence of conversion in the application
- b. When possible, he/she shall be received into **associate membership** at one of the Sundays designated for the public reception of new members.
- c. Associate members may not hold an office in the church but can act as **an ambassador** of the church that is, representing the church where necessary in your region as instructed by the Pastor of Global Life Church.
- d. The associate member roll shall be reviewed periodically by the Advisory Board to insure that those whose names are listed still wish to remain as **associate members**. Associate members may be dropped from the roll if all efforts to make contact with them are unsuccessful.

To apply as an associate member of Global Life Church, print and fill out the associate membership form and post to Board of Advisors, P.O Box 304283, St. Thomas, 00803 or e-mail form to pastor@globallifechurch.org.
